NEW!

ONLY $399.00

You Can Bank On It!

YOU ASKED FOR IT! Now it's here — an easy, low cost, American-made conversion for your Pac-Man or Ms. Pac-Man upright or cocktail cabinets.

LOW COST! It's only $399 and comes complete with new electronics, plexi, decals, control panel overlay, and even new T-molding. The kit includes everything you need to turn your old Pac-Man or Ms. Pac-Man into a real money-maker once again.

EASY TO INSTALL! BIG BUCKS was truly designed with the operator in mind. Installation has been made simple to eliminate the frustration associated with other complicated, time-consuming conversion kits. No drilling, no soldering, no need to flip the monitor. You can have the BIG BUCKS electronics installed in 15 minutes.

VERSATILITY! DynaSoft designed this kit for installation in Pac-Man or Ms. Pac-Man cabinets. However, it can be installed in other cabinets if you use a Pac-Man mother board in conjunction with the BIG BUCKS hardware.

SUPER PLAY APPEAL! It's easy to learn, difficult to master. Up to four players can compete for prize money and special recognition. BIG BUCKS has a game show theme with a trivia format of over 10,000 questions. Strategy, quick reflexes, and knowledge are a must . . . a little luck helps.

DynaSoft has pledged itself to bringing a quality American-made product back to the forefront of the coin-op business. Our goal is to produce products for the amusement operator that provide a high return on a small investment for a long period of time. Experience this incredible game today . . . it's ready to collect BIG BUCKS!
